

# Reactions to Motherhood, 2e

on quality assurance and workload/workforce management issues. She has written extensively on post-natal care and the emotional well-being of mothers, and has spoken at numerous multi-professional and consumer led conferences and workshops. Her other research area lies in the field of Quality Assurances, Workforce planning and Health Service Organisation. She is the author of two major audit tools, in Nursing and Midwifery, and has undertaken widespread consultancy work within the NHS and WHO
