

The Third Angels Message (1893)

Sermon series from the 1893 General Conference Session. In a letter to the author of these sermons, Ellen White said: I have been instructed to use those discourses of yours printed in the General Conference Bulletins of 1893 and 1897, which contain strong arguments regarding the validity of the Testimonies, and which substantiate the gift of prophecy among us. I was shown that many would be helped by these articles, and especially those newly come to the faith who have not been made acquainted with our history as a people. It will be a blessing to you to read again these arguments, which were of the Holy Spirits framing. (Manuscript Releases, vol. 9, p. 278)
