

First Aid for Babies and Children Fast

This book helps you look after your little people by providing expert first aid for your home. From first-aid essentials to life-saving procedures, its worth having someone who knows what they are doing to cope with lifes little (and big) emergencies. The new edition of this manual, published in association with the British Red Cross, gives you the knowledge you need instantly if a baby or child falls ill or gets hurt. User-friendly, step-by-step it tells you how to treat babies and children for more than 100 medical conditions and injuries from minor cuts and burns to meningitis and asthma attacks. First aid procedures are illustrated photographically to give clear, detailed guidance, all colour-coded for quick reference when you are in a hurry! Keep it handy - for home, and for leisure.
