

NCLEX® Review 3000: Study Software for NCLEX-PN® (Institutional Version) (Nursing Review Practice Media)

Featuring more than 3,000 multiple-choice and alternate-format NCLEX(R)-style questions with detailed answers and rationales, this review software gives instructors all the tools to help their students prepare for the challenging NCLEX-PN(R) exam. Instructors can create customized reviews and tests as well as study aids generated by each individual student's performance on a test. Available in three study modes (Pretest, Review, and Test), this software enables students to view results of the entire test or simply focus on incorrect answers. Test-taking hints help students prepare for the pressure of the exam. This institutional version features secure password protection for student and faculty log-ons, an installation guide, and an online Help file.
