

NCLEX RN/LPN/PN Pharmacology Review 5 Audio CDs Box Set (Pharmacology NCLEX Review)

This 5 Audio CD set is a recording of our live lecture and it includes a Study Booklet with questions. Topics include: role of the nurse in medication administration, different methods of medication administration, factors that affect client response to medications, IV Therapy, blood transfusion, hyperalimentation, herbal therapy, and calculating doses of parenteral medications. The recording is a duplicate live recording of the material covered during our live review classes in New York City and Miami Florida. For information on all our study materials for NCLEX please visit our website: www.feuernursingreview.com
