

More Instant Teaching Tools for Health Care Educators, 1e

Your one-stop shop for immediately usable, proven interactive exercises that engage the audience and make your presentation lively and entertaining! MORE INSTANT TEACHING TOOLS contains easily replicated interactive teaching exercises specifically for health care educators. All of the exercises have been field tested for effectiveness, time, and participant satisfaction. Exercises are designed to promote student/participant involvement and self-directed learning. A game show format is used for many of the exercises, making learning fun and memorable. It features a stimulating, highly visual format and easy-to-follow, step-by-step instructions for each exercise. All exercises are brief and inexpensive, requiring no elaborate props or preparation time. Icons identify the topic, tools needed, time, preparation, implementation, and educator secrets.* Provides immediately usable, proven interactive exercises to make your presentation more lively, interactive, and entertaining * Contains exercises which have been field-tested for effectiveness, time, and participant satisfaction to ensure a successful teaching and learning experience * Provides exercises which have been contributed by health care educators from a variety of disciplines including nursing, allied health, dietary, and EMS to provide current and timely health care teaching * Designed to promote student/participant involvement and self-directed learning to provide a fun learning experience * Includes ready-to-use pages that can be photocopied for immediate use to make preparation easy and time efficient
