

A Prescription for Retail Pharmacy: A Guide to Retail Pharmacy for Patients, Doctors, Nurses, Pharmacists, and Pharmacy Technicians

Have you ever wondered what your friendly neighborhood pharmacist is really thinking behind that pharmacy counter? If so, look no further. *A Prescription for Retail Pharmacy* offers an honest, politically incorrect, no-holds-barred look at the inner workings of the world of retail pharmacy. Pharmacist Jean-Marc Bovee answers all of your pharmacy-related questions and discusses real-life situations, problems, and solutions. If you are a patient, gain a better understanding of how a pharmacy functions; if you are a health care provider, learn how to better communicate with retail pharmacists. *A Prescription for Retail Pharmacy* provides helpful advice for those already working behind the counter, as well. Explore what is expected of pharmacy technicians and new techniques for pharmacists to use in handling the typical problems they encounter. Whether your problems are in front of the counter or behind it, *A Prescription for Retail Pharmacy* provides the cure!
