

Sermon on the Mount by Jesus (Jesus Gnosis series Book 1)

All of the verses from chapters five through seven of the Gospel of Matthew, also known as the Sermon on the Mount, explored in resonance with quotes from others scriptures Christian, Jewish, Islamic, Hindu, Buddhist, and Pagan, the threads of ideas tie together traditions from different languages and cultures and ages. Each preserved insight from the spectrum of traditions serves to shine lights of meaning and focus on the ideas presented. In the end it is observed that Jesus takes on the best of human ideas and presents them as an external message from the sacred mountain. This message is not just for Moses, but is for all of us. We are all invited to sit and contemplate.
