

Pareidolia: A Retrospective of Beloved and New Works by James Jean (bilingual)

Pareidolia is a long-awaited collection of the art of James Jean, featuring works that span the majority of his career. Born in 1978, Taiwanese-American James Jean became one of the most prolific artists/illustrators in commercial and fine art. He created numerous covers for American Comics and also collaborated on special projects with PRADA in 2007. As much of his art has previously only been available for consideration formatted as album covers or other specialized commercial art, this book holds many visual treats for fans across the globe. Bilingual introductions by contemporary artist Takashi Murakami and film director Guillermo del Toro! Includes supplementary poster. Text in Japanese and English.
