

Pathophysiology Made Incredibly Easy! (Incredibly Easy! Series (R))

Pathophysiology Made Incredibly Easy! 1st UK edition has been fully revised for the UK audience, ensuring that it covers all relevant areas. It focuses on UK related conditions, and includes new chapters on reproductive diseases and complaints, and on skin. This book maintains the accessibility of the MIE series, and will appeal to a range of health professionals and students requiring a basic grounding in pathophysiology. It will be essential reading for nursing students and those studying on other Allied Health Professional fields, as well as those who simply wish to revise or refresh their understanding of these essential areas.
