

Drug Interaction Facts 2006: The Authority on Drug Interactions

Drug Interaction Facts is the fastest and most accurate interaction screening tool available to health care professionals. In just seconds, potential interactions can be reviewed by class, generic drug, or trade name. Comprehensive information on drug/drug and drug/food interactions is provided in a quick-reference format to enhance the speed and accuracy of therapeutic decision making. More than 1,200 detailed monographs cover more than 20,000 brand and generic drugs and more than 70 therapeutic classes. Every monograph summarizes the onset, severity, and documentation of clinically significant interactions, including their effects, mechanism, and management. Significance ratings provide relative rankings on the interactions.
